# WELCOME TO THE 64TH ICYPAA!

Here's a guide to accessing the program on your smartphone or other device!

1. Scan the QR Code or click this link:

Click This Link For The App

Scan This QR Code For The App

2. Register:

To make the most of the conference app, please click through the onboarding screens and then register for an account. By doing so, you can create a personalized experience tailored to your preferences.
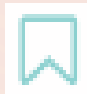

3. Add the Web App to your home screen:

Add to Home Screen (iOS)	Add to Home Screen (Android)
- Tap the share icon (a square with an arrow pointing up) at the bottom of the screen. - Scroll down and select "Add to Home Screen." - Customize the app's name if desired and tap "Add."	- Tap the three-dot menu in the upper right corner of the browser. - Select "Add to Home screen" from the menu. - Confirm the app's name and tap "Add."

4. Access the App:

Find the newly added app icon on your home screen, and tap it to access the conference app instantly.

5. Explore the Features:

☰	**Menu:** Navigate via the menu icon to Event Info, Program, Floorplan, Hospitality, Marathon, Downloads, Service Groups, and more.
🔖	**Bookmark Icon:** Use the bookmark icon to save the events you're excited to attend. With just a tap, you'll create your personalized schedule, ensuring you catch all the action.
⇌	**Filter:** Select the filters icon in the top right corner to filter the program by event type, interpretation, or day.
